The advertisement features a blue and orange background. At the top right, there is a coiled black USB cable. Below it, the text 'USB 2.0 Active Extension Cable' is displayed. A large red circle with the text '15 M' is overlaid on the lower part of the advertisement. To the right of the circle, a black USB extension device is shown with a USB-A connector on one end and a USB-B connector on the other. At the bottom of the advertisement, there are several small icons representing various USB devices like a printer, scanner, and external drive.
