

The screenshot displays the SiteWorX control panel interface. At the top, there are navigation tabs for 'サーバー管理' (Server Management), '統計' (Statistics), and 'アプリケーション' (Applications). The 'サーバー管理' tab is active, showing a list of servers with columns for '名前' (Name), 'タイプ' (Type), 'ステータス' (Status), and 'IPアドレス' (IP Address). Below this is a table of server details. The '統計' tab shows a pie chart with two segments, one orange and one grey, representing different server categories. The 'アプリケーション' tab shows a grid of application icons including WordPress, Joomla, Drupal, Magento, and WHMCS. A large blue banner with white text is overlaid on the center of the screenshot, reading 'みんなワンクリック 世界一ラクなSEOサーバー' (Everyone One-Click, The Easiest SEO Server in the World). Below the banner, there are several green buttons labeled 'インストール済' (Installed) and '有効期限' (Expiration Date).
