

imagenavi 冬のコスパNo.1宣言!

RFトリミング割 最大 **30% OFF**

業界初! 欲しい部分だけ切り取ったらお得になる!

元のサイズに比べて、どのくらい小さく切り取ったかで割引率が変わります。

The diagram illustrates the RF trimming process. It features a horizontal scale from 100% on the left to 0% on the right. A vertical bar of varying width represents the amount of material being trimmed. As the bar narrows from left to right, the discount rate increases. At the 100% mark, the discount is 20% OFF. At the 0% mark, the discount is 30% OFF!! Two small inset images show a person using a laser-guided cutting tool on a material.
