#STU

The image is a promotional banner for STU48's 'Shinote' (神の手) collaboration. It features a group of STU48 members in their signature white and blue outfits. To the right, there are images of two product packages: one for 'Shinote' (神の手) and another for a collaboration product. The text highlights that all winners will receive a virtual meal with members and a special benefit of attending a virtual trial dinner. The products are limited to 50 units each. The STU48 logo is visible at the bottom left of the banner.
