The advertisement features a central white pouch of '剛 Sugi' (Tsu Yosugi) product. The pouch has a red and black design with the brand name '剛 Sugi' in large, stylized characters. To the right of the pouch, there is a golden silhouette of a deer (Ezo Sika) and a scorpion. The background is a vibrant red with a radial light effect. Text elements include '国内初!' (Domestic First!) in a yellow banner, the main title 'エゾシカでパワーチャージ!' (Power Charge with Ezo Sika!), a descriptive paragraph about the product's benefits for tired people, and a list of ingredients: 'オルニチン' (Ornithine), 'シトルリン' (Citrulline), and 'アルギニン' (Arginine). The product name '剛 Sugi' is written in both Japanese and English, with 'ザビスギ' (Zabisugi) as a sub-brand name. The manufacturer's name 'TSUYOSUGI' is also visible on the pouch.
