
The screenshot displays a web browser window with the DC ASIA logo in the top left. The page title is "[データセンター運用] 筋線オンラインアセスメント". The interface is divided into several sections:

- Form Section:** A registration form on the left with fields for "名前" (Name), "年齢" (Age), "性別" (Gender), "会社名" (Company Name), "部署" (Department), "職種" (Job Title), and "Eメール" (Email). A "確認" (Confirm) button is at the bottom left.
- Assessment Diagrams:** A central area containing a hexagonal diagram with labels for "首" (Neck), "肩" (Shoulder), "肘" (Elbow), "腕" (Forearm), "手" (Hand), and "指" (Finger). To its right is a human figure diagram with colored markers (red, yellow, green) on the neck, shoulder, elbow, forearm, and hand.
- Text and Legend:** Below the diagrams is a large block of Japanese text. To the right of this text is a vertical legend with three colored boxes: a green box at the top, a yellow box in the middle, and a red box at the bottom.
