The poster is set against a warm, golden-brown background. On the left, a samurai in a dark kimono and a wide-brimmed hat stands next to a large, open wooden treasure chest. The chest has a white tag with red text attached to its handle. In the center, a stylized white castle with multiple tiers is illuminated. At the bottom right, a circular inset shows a plate of Japanese food, likely a lunch set. The overall theme is a treasure hunt inspired by a mystery.
