The advertisement features a vibrant orange background with a sunburst pattern. On the left, a smartphone displays the BINGOOL 750 app interface, which includes a bingo card and a score counter. A speech bubble next to the phone contains the Japanese text 'ただのビンゴだと思ふなよ!' (Don't think it's just bingo!). To the right of the phone are two QR codes for downloading the app. At the bottom, there are logos for the App Store and Google Play.
