Qoochii

The image is a promotional banner for Qoochii's self-mobile ordering service. It features a hand holding a smartphone displaying a QR code and a Pi logo. In the background, a person is using a mobile device at a counter. The text highlights that this service is available to all restaurants and is the industry's lowest value challenge. It also mentions that the customer's smartphone acts as the terminal, and it is a simple-to-introduce service for 'post-COVID' measures.
