The graphic features a man in a dark suit and white shirt on the left. Below him is a yellow and black striped banner with the text '小学生が歌う'. To the right of the man are two speech bubbles: one containing 'with コロナ' and another containing 'ハザードマップ'. Further right is a speech bubble with '防災アプリ'. Below the main title '防炎の心得 Song' is a row of four small images: a woman in a blue jacket, a white basket filled with supplies, a speech bubble with 'ローリングストック', and a group of four children. The 'Kids Creation' logo is in the top right corner.
