The banner features a yellow background with a dotted pattern. At the top right, there is a cartoon character wearing a crown and holding a red banner with the number '333'. Below the main title, there are two circular date indicators: a blue one for '4/28' and a light blue one for '5/14'. At the bottom, three 3D cube-like boxes contain the promotional details. The first box is orange and white, the second is purple and white, and the third is orange and white.
