
歩数で ギョランが進化!

進化

A vertical evolutionary tree showing the progression of Gyoran from a simple fish-like creature to a more complex, multi-limbed creature. The creatures are drawn in a simple, cartoonish style.

グラフ機能

A bar chart with three bars of increasing height, representing Gyoran's progress or level. The bars are red and set against a white background with a red border.

ゲーム機能

A screenshot of the game's main screen. It features a large circular gauge with the number 874 in the center. Below the gauge, there are two smaller gauges with numbers 603 and 17.6. The background is a light blue and white pattern.

見やすい シンプル 歩数計

A smartphone displaying the step counter app. The screen shows a large circular gauge with the number 874 in the center. The background is a light blue and white pattern. The phone is shown at an angle, with the top and bottom edges visible.
