The advertisement features a grey and white tabby cat lying on a wooden surface. To the left of the cat are seven cans of Signature 7 cat food, arranged in two rows: four in the top row and three in the bottom row. The cans have white labels with red and blue accents. The background is a light grey wall with faint paw print patterns. The text 'Signature 7' is written in a stylized font with a pink and purple floral motif. Below the cans, the text 'シグネチャー' and '全7種' are visible. To the right of the cat, three red circular icons with white symbols are listed with their corresponding benefits in Japanese.
