The image shows a screenshot of the Soloban dashboard. The dashboard is a grid of widgets. At the top left, there is a 'Sales' widget with a bar chart. To its right is a 'Revenue' widget showing a value of 12,345 with a green upward arrow and the label 'Revenue'. Below these are several other widgets, including a 'Customer' widget with a table of data, a 'Product' widget with a bar chart, and a 'Marketing' widget with a line chart. The interface is clean and modern, with a blue and white color scheme.
