The illustration at the bottom of the poster shows three stylized, friendly-looking AI characters. The central character is wearing a white hard hat with 'AI' written on it and has a lightbulb above its head, suggesting an idea or expertise. It is flanked by two smaller characters, one on the left and one on the right, both with simple, rounded bodies and small heads. They are standing on a light blue ground with a stylized city skyline of various buildings in the background.
