The diagram illustrates the Metagri DAO model. It features a central circular flow with three main components: '想像' (Imagination), '農家' (Farmer), and '創造' (Creation). This central flow is surrounded by '送信' (Transmission) and '拡散していく' (Spreading). The model is associated with '農業と共生の「3つ050」' and 'MISO戦略' (MISO Strategy). The text '農業の常識を超越する' (Transcending common agricultural knowledge) and 'DAO 農業のつづき' (DAO Agriculture's continuation) are also present.
