Metagri DAO Model Diagram

The diagram illustrates the Metagri DAO model. It features a central circular flow with three main components: '想像' (Imagination), '農家' (Farmer), and '創造' (Creation). This central flow is surrounded by '送信' (Transmission) and '拡散していく' (Spreading). The diagram is titled 'Metagri DAO 構想' (Metagri DAO Model) and is associated with '農業と生活の「3つ050」 MISO戦略' (Agriculture and Life '3x050' MISO Strategy). A vertical banner on the left reads 'DAO 農業のつづき' (DAO Agriculture's Continuation) and '農業の常識を超越する Metagri' (Surpassing Common Agricultural Knowledge Metagri). A smaller version of the diagram is shown in the bottom left corner.
