The advertisement features a young girl with a pink backpack looking towards the right. The background is a soft-focus scene of cherry blossoms. The central focus is the OAXIS MyFirstFoneR1 smartwatch, shown in two colors: purple and black. Below the watch, a row of icons represents various features: 4G+, voice and video calls, emergency calls, GPS, email, SOS, and a bath mode. The text is in a mix of blue, red, and black, with a clean, modern font. The overall aesthetic is bright and child-friendly.
