
A promotional poster for a DIY campaign. The background features a white metal shelving unit with various items: a potted plant, a coffee grinder, a coffee pot, and two wooden crates labeled 'STORAGE'. To the left of the shelves are two gloves, one blue and one orange. The text is in Japanese, with 'DIY' in large green letters and 'キャンペーン' in green below it. The main title is '新生活' (New Life) with a pink flower icon, followed by 'DIY 始めてみませんか?' (DIY, have you ever tried it?). Below that is the date '2022年3月25日(金)～4月24日(日)'. At the bottom left, it says '抽選で10名様' (Selected by lottery, 10 people) and '公式アカウント@wakai_diy_priにDMを送って応募、ハグブロック L型(4個セット)をプレゼント!' (Send a DM to the official account @wakai_diy_pri to enter, and we'll give you a HUG BLOCK L-type (4-piece set) as a gift!).
