The image shows a screenshot of a C programming environment. The background is a light blue gradient. On the left, there is a terminal window with a list of C code snippets in Japanese, numbered 1 through 20. The main text is centered and reads: '完全無料' (Completely free), '日本語命令が使える' (Japanese commands can be used), and 'C言語実行環境' (C language execution environment) in large, bold black characters. Below this, it says 'データ流出の危険0%' (0% risk of data leakage) and 'Not Cloud Web App' in a blue box. At the bottom left is the 'MMGanes' logo, and at the bottom right are two small icons: a green leaf and a red shield with a white 'G'.
