- 広告/バンドル無しでソフトアップデート

An illustration of a person in a blue shirt holding a tablet. The tablet screen displays a large blue circular arrow icon, representing a refresh or update cycle. Surrounding the arrow are several application icons: a green WhatsApp icon, a red and white Telegram icon, a blue and white Messenger icon, a red and white Gmail icon, and a blue and white Google icon. The background of the graphic is dark blue with some light blue circular accents.
