The advertisement features a central image of the TMBC-0001 SET components. On the left is a 7-inch color display showing a construction site. In the center is a black rectangular unit labeled '防水IP69K'. To its right is a smaller, ruggedized unit labeled '防水IP67'. Below these units are four yellow callout boxes with black text: '防水性能 IP67', '伝送距離 70m', '最長可動 17.5時間', and '技術基準 適合認証'. At the bottom, there are two more callouts: '機カネオジム磁石' and '赤外線IRランプ×8'. The TCI logo is in the top left corner, and the product name 'TMBC-0001 SET' is prominently displayed in the upper center.
