TMBC-0108 SET

防水性能 IP67	伝送距離 70m
最長稼働 17.5時間	技術基準 適合認証

The advertisement features a background image of a crane's trolley on a track. The product, a small white camera unit and a black smartphone, is shown in the foreground. The text is in Japanese, highlighting the product's key features: IP67 waterproofing, 70m transmission range, 17.5-hour operation time, and compliance with technical standards. The TCI logo is in the top left corner.
