TMBC-0108 SET

防水性能 IP67	伝送距離 70m
最長稼働 17.5時間	技術基準 適合認証

The advertisement features a background image of a crane's trolley on a track. The product name 'TMBC-0108 SET' is prominently displayed in the center. To the left, a 2x2 grid of yellow boxes lists key specifications: IP67 waterproofing, 70m transmission range, 17.5 hours of operation, and technical standard compliance. A small image of the camera unit and its monitor is shown on the right side of the product name.
