SUSTAINABLE DEVELOPMENT GOALS

The advertisement is a colorful rectangular banner with a multi-colored border. It features the Okayama University logo and name at the top. The central text, enclosed in a white box with a blue border, announces the reorganization of the Graduate Course in Integrated Research in Dentistry, Pharmacy, and Medicine starting in April 2023. The word '改組' (reorganization) is highlighted in large, bold orange characters. Surrounding the central text are four small images: a laboratory setting, two researchers in white coats, a person at a computer, and a person in a lab coat. At the bottom, there are logos for the Faculty of Medicine, Faculty of Pharmacy, and Faculty of Dentistry, along with a slogan about creating new value and contributing to SDGs, and the Sustainable Development Goals logo.
