The banner features the Okayama University logo in the top left corner. The main text, centered, reads: "遠西大輔研究教授(病院)" (Professor Takashi Takahashi, Hospital) and "AMED「令和4年度次世代がん医療加速化研究事業」に採択" (Selected for the AMED 'Next-Generation Cancer Medical Acceleration Research Project' in FY2022). Below this, it identifies the affiliation as "岡山大学病院 ゲノム医療総合推進センター" (Okayama University Hospital Genomic Medicine Comprehensive Promotion Center) and "遠西大輔 研究教授" (Professor Takashi Takahashi). A small portrait of the professor is on the right. The bottom of the banner includes the slogan "岡山から世界に、新たな価値を創造し続けるSDGs推進研究大学" (From Okayama to the world, creating new value and continuing to advance SDG research) and the "SUSTAINABLE DEVELOPMENT GOALS" logo.
