
Okayama University Medical Research Updates (OU-MRU) Vol.108 発行

「がんと免疫の戦いと戦況を評価する技術が実用化に近づく～網羅的な自己抗体バイオマーカー測定の定量性を保証するシステムを開発～」を掲載

The cover features a central diagram illustrating a biological pathway or system, and a photograph of two individuals, likely researchers, associated with the featured article. The entire cover is framed by a colorful border containing various logos, including the University of Okayama logo and the 'GOALS' logo.
