The banner features a yellow background with a blue circular graphic. On the left, a cartoon character with a determined expression is shown. The text is in bold, colorful fonts, primarily in black and red. The central focus is the '0円' (0 yen) initial fee offer, which is highlighted in a large red circle. Below this, there are two smaller boxes: one for a 30,000 yen cashback and another for an alcohol detector, both contingent on a 6-month contract. The overall design is energetic and eye-catching.
