The image is a promotional graphic for a 15th anniversary campaign. It features a central photograph of a white modular shelving unit (Dear Wall) in a room. The unit has several shelves and hooks, with a clock, a hat, and a bag hanging from it. To the right of the unit is a brown armchair. The background is a light orange color with small decorative elements. Text is overlaid on the image in various positions, including a circular logo in the top left, a title at the top, a call to action in the middle right, and a date range at the bottom.
