狐が僕を待っている
LINEスタンプ

全16種類

The image is a promotional banner for a LINE sticker pack. It features two main anime-style characters: a pink-haired girl with large eyes and a purple-haired girl with a more serious expression. The background is a warm, golden-yellow gradient. Text is overlaid in various colors and fonts, including the title '狐が僕を待っている' (The Fox Waits for Me) and 'LINEスタンプ'. A QR code is located in the bottom right corner. A URL is at the top, and the number of stickers is at the bottom. There are also several small inset images showing different sticker designs.
