SUSTAINABLE DEVELOPMENT GOALS

The graphic features the Okayama University logo in the top left. The main text is centered, with the university name above the name of the president, Naibu Yū, and the announcement of his participation in a meeting for men's leadership. Below the text is a stylized illustration of people in various poses, some holding colorful spheres, set against a background of a globe and scattered colored dots. At the bottom, there is a line of text in Japanese and English, followed by icons for the university's SDG focus and the Sustainable Development Goals logo.
