岡山から世界に、新たな価値を創造し続けるSDGs推進研究大学

SUSTAINABLE DEVELOPMENT GOALS

The advertisement features a 3D anatomical model of a human mouth with a pinkish-red protective material applied to the inner lining. The background is a light blue and white gradient. The text is in Japanese, with the university name and logo at the top right. The main headline is in a dark blue box. A small portrait of the researcher is on the right. At the bottom, there are logos for SDGs and a tagline.
