COLÉGIO SANT'ANA

The poster features a group of children and adults in blue shirts, some with their arms raised, in front of a building. A Brazilian flag is visible in the top right. The text is in Japanese, announcing a charity event during the summer break. The event is titled 'World Children Connect!' and is specifically for the Brazilian school edition. The date and time are 8/22 (Tuesday) from 13:50 onwards, held online. There are 15 parent-child groups, with a first-come, first-served basis.
