8-Core CPU, NPU, 25TB, QNAP

The advertisement features a black and white QNAP TS-AI642 NAS unit. In the background, a circuit board with 'NPU' and 'AI' labels is visible. The text highlights its 8-core ARM processor and built-in NPU for AI image recognition. Four icons at the bottom represent 8-Core CPU, NPU, 25TB storage, and QNAP branding.
