

QNAP
TS-AI642

8-Core AI NAS,
adopting power-efficient ARM
processor with built-in NPU
for AI image recognition applications

AI
NPU
ARM
CPU
25TB
Thunderbolt

The advertisement features a black QNAP TS-AI642 NAS unit on a white base. In the background, a circuit board with 'NPU' and 'ARM' labels is visible, along with a large 'AI' logo. Four icons at the bottom represent the device's features: a CPU icon, a brain icon for NPU, a storage icon for 25TB, and a Thunderbolt icon.
