

The image shows a web-based Python IDE interface. At the top left, there is a logo with 'py' in blue and 'Web' in red. The main window title is '/program01' with a close button 'x' and a green play button. The code editor contains two lines of Python code:

```
1 for i in range(1,100):  
2     print(i)
```

Below the code editor is a file explorer showing a list of files and folders with line numbers 89 through 99:

- ▶ !Tutorial 89
- ▶ #SAMPLE 90
- 91
- 92
- 93
- program01.py 94
- 95
- サポータ募集.txt 96
- 97
- 98
- 99
