**QNAP**

**TS-h1277AXU-RP**  
**TS-h1677AXU-RP**

12-bay / 16-bay powerful rackmount ZFS NAS

Unleash DDR5 and enterprise-level potentials with AMD Ryzen™ 7000 Series processors.

AMD Ryzen™ 7000 Series  
DDR5  
PCIe 5.0  
10GbE  
2.5GbE

The advertisement features a 3D rendering of two server racks, one 12-bay and one 16-bay, with a glowing red light effect. The QNAP logo is in the top left. The product names and specifications are listed in the middle left. A descriptive sentence is below that. At the bottom left, there are five icons representing AMD Ryzen 7000 Series, DDR5, PCIe 5.0, 10GbE, and 2.5GbE.
