

QNAP

TS-h3077AFU

30-bay All-Flash NAS,
Powered by AMD Ryzen™
7000 Series Processors

AMD RYZEN 7000 SERIES
AMD RYZEN 7000 SERIES
IO5E 2.5GbE

The advertisement features a black and white photograph of the QNAP TS-h3077AFU NAS unit, showing its front panel with numerous drive bays and a top-mounted expansion slot. The text is positioned on the left side of the image, with the QNAP logo at the top left, the model name in large red letters, and technical specifications below it. Three small icons at the bottom left represent the AMD Ryzen 7000 Series processors and the IO5E 2.5GbE network interface.
