OFF

まずはたっぷり  
お試しサンプルから！

The advertisement features a collection of BRANTER skincare products against a light blue background with soft, glowing light effects. On the left, a tall, clear glass serum bottle with a gold-colored cap stands next to a smaller, round cream jar with a gold lid. To the right, there are several small, white sample kits. The text is arranged around these products, with promotional offers and product benefits highlighted.
